Bruce and I took some boys home and he was going to take me to Barry Queen but they were closed so he took me to Mr. Donalds and he gave me some money to go get an ice cream. Then I went back to the car and we left Mr. Donalds. And we were almost home and he said he was going take me for ride in the car. He said that he was going around the block until I finished my ice cream. Then he said to scoot over. Then put his hand around me and then he touched me. And he said do you mind. And I said Yes. And he took me home and I told my Mom and my Uncle and they said they glad I told them.
